

**BETHESDA CHRISTIAN SCHOOL**  
Enrollment Covenant for Students in Grades 7-12

A daily goal of everyone at BCS is to be a Christ-like example. And even though we fall short we strive to lean in and help each other, find grace and make plans to always do our best. We care for and respect others and we make our school a better place than how we find it each day. That is what we do and strive for each day, it's The Patriot Way as we seek to elevate others and our world daily.

**Enrollment Covenant**

In keeping with The Patriot Way culture and policies, every BCS student has agreed as a matter of enrollment to the following enrollment covenant statements:

- I will strive to embrace that we are all learners and at different stages of growth in Christ.
- I agree to explore the Christian faith daily and self-reflect my growth in the faith. I will learn the teachings of Jesus Christ as found in the Bible and as taught and discussed in BCS classrooms, weekly Chapels, small groups and all co-curricular opportunities. I will ask questions and be brave in areas of growth needed with my mentors and strive to acknowledge my weaknesses, doubts and fears.
- I agree to respect the beliefs and opinions of others and will not seek to degrade or bully another person, including other students or parents, my teachers, coaches, mentors and community members.
- I agree to work diligently to develop and remain in good relational standing with my parents, my fellow students, teachers, coaches, mentors and other BCS parents. When I have dissension with others or if I become alienated from others at BCS, I will humbly seek help and restoration.
- While a BCS student, I agree to strive for purity, as defined by the Bible, in my actions, conduct, speech, habits, viewing and interactions with others.
- While a BCS student, I agree to refrain from consumption of things that harm me and/or are illegal.
- I agree to try and do my best and give my full effort at what I commit to.
- I agree to speak truthfully, honestly, and to conduct myself in a manner worthy to be followed.
- I agree to follow the foundational tenets of behavior and expectation of The Patriot Way to respect people, respect property, and preserve the learning environment and culture of the school. I agree that I will observe these tenants on-campus and off-campus and through social-media and every other form of communications and relationship as long as I am a BCS student.
- I agree to be mindful of my decisions and actions and I agree to seek wisdom, knowledge and understanding so that my decisions and actions continue to grow and mature.
- I will strive to honor Christ alongside my fellow students and faculty.

BCS expects families to be actively engaged in the behavior and actions of their student while on campus or off campus. Families agree to be the primary influencer for good in their child's life. In addition, families and students must be in alignment with BCS policies.

BCS is required to abide and follow all state law form reporting to required enforcement.

I have read the above Enrollment Covenant and agree to uphold the principles of this code by my behavior while a student at Bethesda Christian School. As a parent, I agree to support the Covenant and will fully cooperate with school authorities in the enforcement of this code as necessary.
