Duke Energy - Energy Conservation Program

BCS is participating in an Energy Conservation Program offered by Duke Energy. Through this program, our families and staff can take the My Energy Kit Challenge and request a FREE Energy Kit that contains items to save energy at home and money on your electric bill.

If 100 families from our school request the kit, we will automatically win \$250 and the school that requests the most kits will win \$2,500!

BCS SCRIP PROGRAM INFORMATION

BCS Scrip Program credits individual tuition accounts with the purchase of gift cards. Scrip offers gift cards from national and local retailers that are the same gift cards one might purchase at a store. The retailers agree to sell gift cards to our organization at a discount where member families (like yours) buy them for full face value and redeem them for full face value. Popular local retailers who participate in our scrip program include Wal-Mart, Lowe's, Speedway, Chili's, Olive Garden and many, many more. A percentage of each sale is then credited to the family's tuition account. Grandparents or family friends who use the program could have the credit applied to any BCS student.

If you have an interest in taking part in this program, please log onto shopwithscrip.com, sign in and register. Use the enrollment code of D1EE1A977694. For further information or questions, please contact Layna Goodin at (317)796-1366 or bcs.scrip@yahoo.com.
